Commissioner for Patents

The replies filed on July 13, 2005 and October 24, 2005 are not fully responsive to the Office Action of March 22, 2005, because of the following omission(s) or matter(s): Firstly, contrary to applicants' argument, claim 1 has not been amended to clarify the distinction between the oleochemical polyol and component c). Therefore, the response fails to fully address the issues set forth within the first subparagraph of the 35 USC 112, second paragraph rejection of paragraph 1. Secondly, despite applicants' response, the amendment to claim 15 does not address the "lack of basis" issue for the claimed weight percent, as set forth within the last subparagraph of the 35 USC 112, second paragraph rejection of paragraph 1. For example, the response fails to clarify if the weight percent is based upon wet wooden material or dry wooden material. See 37 CFR 1.111. Since the above-mentioned reply appears to be *bona fide*, applicant is given **ONE (1) MONTH or THIRTY (30) DAYS** from the mailing date of this notice, whichever is longer, within which to supply the omission or correction in order to avoid abandonment. **EXTENSIONS OF THIS TIME PERIOD MAY BE GRANTED UNDER 37 CFR 1.136(a).**

Any inquiry concerning this communication should be directed to R. Sergent at telephone number (571) 272-1079.
